

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF TEXAS
WACO DIVISION

UNITED STATES OF AMERICA	§	
	§	
vs.	§	NO: WA:23-CR-00004(1)-ADA
	§	
(1) RALPH ROGER CAMPBELL	§	

ORDER ACCEPTING REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE

Before the court is the above styled and numbered cause. On May 7, 2025 the United States Probation Office filed a Petition For Warrant or Summons For Offender Under Supervision for Defendant (1) RALPH ROGER CAMPBELL, which alleged that Campbell violated a condition of his supervised release and recommended that Campbell 's supervised release be revoked (Clerk's Document No. 57). A warrant issued and Campbell was arrested. On May 14, 2025, Campbell appeared before a United States Magistrate Judge, was ordered detained, and a revocation of supervised release hearing was set.

Campbell appeared before the magistrate judge on June 10, 2025, waived his right to a preliminary hearing and to be present before the United States District Judge at the time of modification of sentence, and consented to allocution before the magistrate judge. Following the hearing, the magistrate judge signed his report and recommendation on June 10, 2025, which provides that having carefully considered all of the arguments and evidence presented by the Government and Defendant, based on

the original offense and the intervening conduct of Campbell, the magistrate judge recommends a downward variance because of the unique facts and circumstances presented in this case, and that this court revoke Campbell supervised release and that Campbell be sentenced to imprisonment for TWO (2) months, with no term supervised release to follow the term of imprisonment, and with credit for the time he has been in federal custody (Clerk's Document No. 71).

A party may serve and file specific, written objections to the proposed findings and recommendations of a magistrate judge within fourteen days after being served with a copy of the report and recommendation, and thereby secure a *de novo* review by the district court. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b). A party's failure to timely file written objections to the proposed findings, conclusions, and recommendation in a report and recommendation bars that party, except upon grounds of plain error, from attacking on appeal the unobjected-to proposed factual findings and legal conclusions accepted by the district court. *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415 (5th Cir. 1996) (*en bane*). The parties in this cause were properly notified of the consequences of a failure to file objections.

On June 10, 2025, following the hearing on the motion to revoke supervised release, all parties signed a Waiver Of Fourteen Day Rule For Filing Objections To Report and Recommendation Of United States Magistrate Judge (Clerk's Document No. 70). The court, having reviewed the entire record and finding no plain error, accepts

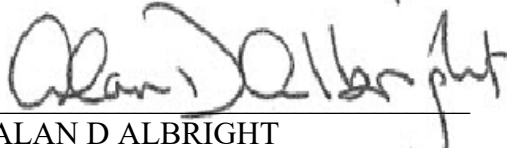

and adopts the report and recommendation filed in this cause.

IT IS THEREFORE ORDERED that the Report and Recommendation of the United States Magistrate Judge filed in this cause (Clerk's Document No. 71) is hereby ACCEPTED AND ADOPTED by this court.

IT IS FURTHER ORDERED that Defendant (1) RALPH ROGER CAMPBELL's term of supervised release is hereby REVOKED.

IT IS FURTHER ORDERED that Defendant (1) RALPH ROGER CAMPBELL be imprisoned for TWO (2) months with no term of supervised release, with credit for the time he has been in federal custody.

Signed this 12th day of June, 2025.

ALAN D ALBRIGHT
UNITED STATES DISTRICT JUDGE
